The Council are keeping abreast of the developments with regard to the transition to 2 Unitary Authorities in Northamptonshire and will be putting its views to the consultation. Please also have your say and respond to the consultation that will be on the Wellingborough Borough Council website from 18th June until 22nd July 2018.

Finedon's Emergency Plan – There has been a very good response to the leaflets with offers of help. Thank you to everyone that has responded. The Council will arrange a meeting in the Town Hall in July so as to give time for everybody to respond that wants to. I shall be contacting them direct about the timings of the meeting.

You will have seen that Tainty Field has been mowed, please let me know what you think. It is hoped that the Council can keep it mowed so that families can use it for a picnics and other recreational purposes. We know that the children's community groups use it and it is hoped that it will be used more widely now.

Banks Park Trees – a list of trees is being drawn up by Hillside Farm Nurseries for approval by the Council. Once the scheme has been approved, I will let you all know how to go about purchasing a tree for planting in Banks Park in the Autumn. It is then intended to have an information board made with the type of tree, who donated it and why. That way there'll be a permanent record of each tree.

As usual, please feel free to contact me should you have anything you wish to bring to the Council's attention. Providing it is within the Council's remit, we will try our best to make Finedon a better place to live.

Julia Tufnail
