## Report from the Meeting 19<sup>th</sup> June

### Traffic in Finedon

The speeding along Irtlingborough Road was discussed and the Council has been assured by the Police that they will be conducting speed trapping more frequently in the future. Alternatives were discussed for the future. It was reported that NCC were putting in some of the new dropped curbs as requested by the Council. It is hoped that the old speed sign owned by the council can be mended for use throughout Finedon.

If there are any issues with Highways please report it via the new system called Fix My Street, including blocked pathways.

### Pocket Park

Taylor's Amusements will be bringing the fair to Tainty Field again this year, opening 19-21 September 2019, please be sure to support this annual event. The transfer of the Pocket Park to Finedon is progressing.

### Police

A very interesting and useful presentation by the Crime Prevention Team for residents was attended by 9 residents on 11<sup>th</sup> June 2019. The low attendance numbers were despite the event being advertised widely via the school newsletter, posters all over Finedon, the website, twitter and facebook. It was reported to the meeting that some residents felt that they were not informed of the event.

### Unitary Council

In May 2020 there will be ordinary elections for the new Unitary Council, Town and Parish Councils and the Police and Crime Commissioner, all on the same day. This will be the start of the shadow Unitary Council which will come into force from 1<sup>st</sup> April 2021.

As usual, please feel free to contact the Council should you have anything you wish to bring to their attention. Providing it is within the Council's remit, we will try our best to make Finedon a better place to live.
