Co-Option

The Council is pleased to welcome Cllr Susan Drakes onto the Council who was duly co-opted at the Full Town Council meeting in June. If you would like to contact her to raise any issues, her contact details can be found on the Town Council website.

Open Spaces

The Council had a tree survey conducted for their open spaces and appointed GCK Tree Works to complete all of the actions that arisen from that report. GCK Works conducted all of this work during the month of July.

The Council endeavours to plant some further trees as part of the Queen's Jubilee celebrations.

Banks Park

The Christmas Tree had unfortunately deceased so has been removed. The Council endeavours to replace this again later on in the year in readiness for Christmas.

The Council approved replacing the broken spring dog (playground equipment) in the play area, so this works should be completed in close proximity.

Pocket Park

Last year, the Council took ownership of the Pocket Park from the Borough Council of Wellingborough. The Council has now formed a working party specifically for the Pocket Park, this working party consists of Cllrs: Neil Done, Lynette Kendall-Torry, Laurence Harper and Susan Drakes. They will be working together and will bring any recommendations to the full Council. If you would like to bring anything to their attention, please get in touch.

Highways

If you have any highways issues, please keep reporting them to Highways via their Fix My Street portal, [Fix My Street - NNC Highways](#).

Police Community Support Officer

Our Local Police Community Support Officer, Leo Holmes understands the issue of speeding and has confirmed to the Council they will be undertaking speed gun operations in the town. Should there be a significant problem identified they will discuss the issue with their Safer Roads Teams for further options.

Please feel free to contact the Council via email clerk@finedontowncouncil.gov.uk or telephone 07947646043 should you have anything you wish to bring to their attention. Providing it is within the Council's remit, we will try our best to make Finedon a better place to live.
