Newsletter Article for September

Community litter pick

Councillor Lynette Kendall-Torry and Laurence Harper hosted a community litter picking event on Saturday 24th July 2021. The Council would like to say a massive thank you to all the members of the public who participated, to help make our town a cleaner place. We would also like to say a special thank you to all of the local businesses who contributed prizes for the raffle. We hope to be able to host our next event in the near future and make this a regular event.

Venues for meetings

The Council has had to change meeting venues over the last year due to Covid-19 restrictions, during this time the Council have been meeting virtually via zoom or utilising local buildings such as the Chapel (on Station Road) and Mission Room. If you would like to attend our meetings in the future, please check the agenda which includes the location, date and time. The agendas can be found on the Council's website page or the Notice Board at the Town Hall.

Farmers Market

The Council will endeavour to host monthly Farmers Markets, further details will follow once the arrangements have been finalised. We will also post all details on our website, social media pages and on the Notice Board.

Cemetery

It is hoped during the autumn months the repairs to the chapel wood work will be completed. The Council also has approved the fitting of a new spring to the pedestrian gate, which will prevent any stray animals entering the Cemetery.

Banks Park

Last year, the Council ran a replacement tree project where members of the public donated a tree to be planted in Banks Park. As part of the project, an information board will be put up which will also contain drawings from Finedon Mulso CE Junior School. Due to Covid-19 lockdowns there was a delay in obtaining the drawings, but the Council now has these so the information board can progress. Our Councillor Laurence Harper will be creating the mount and we look forward to seeing this project finalised.

Highways

If you have any highways issues, please keep reporting them to Highways via their Fix My Street portal, [Fix My Street - NNC Highways](#) where they will be actioned accordingly.

Please feel free to contact the Council via email clerk@finedontowncouncil.gov.uk or telephone 07947646043 should you have anything you wish to bring to their attention. Providing it is within the Council's remit, we will try our best to make Finedon a better place to live.

Ally Chang - Clerk, Finedon Town Council
