Newsletter Article for February

The Queens Green Canopy

The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee". This initiative aims to enhance our environment by planting trees which will create a legacy in honour of The Queen's leadership of the Nation, which will benefit future generations.

The Town Council at the meeting in November 2021 agreed to plant 12 new trees on the green to commemorate this occasion. These trees will be planted in due course and we hope they live a long and healthy life.

Councillor Vacancy

Following the resignation of Cllr Gordon Swann, the Town Council has a vacancy for a Councillor, if you would like to become a Councillor and help make Finedon a better place to live and work, please contact the Clerk to express your interest.

Defibrillator

The Town Council in November 2021 agreed to accept a generous donation of a defibrillator, the Town Council will be taking this under their ownership and have liaised with 'Premier' on Irthlingborough Road. Premier have kindly agreed to allow this to be installed outside their shop. The Town Council also stores another defibrillator at the Pharmacy, therefore we hope these can be utilised to help save a life, should they be needed.

Highways

If you have any highways issues, please keep reporting them to Highways via their Fix My Street portal, [Fix My Street - NNC Highways](#) where they will be actioned accordingly.

Please feel free to contact the Council via email clerk@finedontowncouncil.gov.uk or telephone 07947646043 should you have anything you wish to bring to their attention. Providing it is within the Council's remit, we will try our best to make Finedon a better place to live.

Ally Chang - Clerk, Finedon Town Council
