Finedon Town Council

What a weekend of celebration!

The Kings Coronation on the Saturday, the celebration concert on the Sunday and then Finedon's celebration on Bank Holiday Monday.

The Town Council organised a celebration on The Green for people to share a day with family, friends and neighbours.

We had entertainment from Jonathan Reynolds, Olivia Winterflood, Christy Wilson, Jessie Trasler, Lily Tofte and Tilly Kearney. We had dancers from the Barbara Hooton School of Dancing with choreography by Nicola Millington. We were also fortunate enough to have the WellyUkes, a ukulele group who played and sang everyone's favourite songs.

The younger visitors enjoyed a fun fair with bouncy castles, coconut shy and other attractions to keep them entertained. There was about 20 stalls selling their goods, food vendors, local organisations showcasing what they offer to the town and ice cream courtesy of Salvatore's Gelato - in the main all local people .

The Town Council would like to say a big 'thank you' to the performers, all the stall holders and to the people of Finedon for attending. Thanks must also go to Ally Chang our Town Clerk for her work in pulling the day together.

We hope members of the community enjoyed the family fun day, to celebrate such a special occasion!

'God Save the King'

Cllr Jim Wrigley
